

## PRODUCT SPEC SHEET

MOTOTRBO™ XiR M3188™ AND XiR M3688™ MOBILE RADIOS

# MOTOTRBO™ XiR M3188™ AND XiR M3688™ MOBILE RADIO

YOU'RE SIMPLY MORE EFFICIENT

Your people are on the move, delivering cargo, picking up consignments, driving children to and from school. You need to keep them in touch and on track efficiently. And you want to make sure the radios they use are as affordable and adaptable as possible.

Now there are flexible mobiles that give you great voice communications today, and a path to crisp and clear digital voice communications when you're ready. Versatile and powerful, MOTOTRBO™ combines the best of two-way radio functionality with the latest analog and digital technology. The MOTOTRBO portfolio offers the right device for the right user, from voice-only portables to feature-rich voice and data radios.

The rugged MOTOTRBO XiR M3188 and XiR M3688 are available as analog/digital mobile radios that offer all the benefits of the latest technology – from superior audio to greater coverage. These affordable performers are compatible with advanced MOTOTRBO features you'll find are business-essential, for example a transmission can be interrupted to prioritize critical communications.

With its bright, high contrast alphanumeric screen, the XiR M3688 allows drivers to see important information such as caller ID at a glance. The XiR M3188 offers lower capacity and a simpler numeric display.

The XiR M3188 and XiR M3688 are so easy to use and deliver such clear voice communications, you'll be amazed how efficient your operation can be.

## FEATURES

- Analogue / Digital
- Voice Communications
- Canned Text Message
- Dual Capacity Direct Mode
- Transmit Interrupt (decode only)
- Voice Announcement
- Numeric Display (XiR M3188)
- Alphanumeric Display (XiR M3688)
- Digital Mobile Radio (DMR) Standards Compliant
- IP54 Rated

## OPTIONS

- Radio Management Suite

**SIMPLE VOICE COMMUNICATIONS  
FOR THE EVERYDAY USER WHO WANTS TO STAY CONNECTED**

## PRODUCT SPEC SHEET

MOTOTRBO™ XiR M3188™ AND XiR M3688™ MOBILE RADIOS

### CONNECT YOUR CREWS EASILY AND EFFICIENTLY

XiR M3188 and XiR M3688 mobile radios are ideal for keeping your people reliably and cost-effectively connected so they can communicate, coordinate and collaborate – whether they're delivering packages or transporting passengers. With easy-to-use ergonomics and crisp, clear audio, now your teams can work more efficiently.

Unleash the power of your XiR M3188 and XiR M3688 mobile radios with Motorola Original® accessories. They're the only accessories designed, built and tested with your radio to optimize its performance. (See separate accessory fact sheet for full portfolio.)

### KEEP THEM IN CONTACT AND ON COURSE

A lost delivery driver uses his XiR M3188 mobile radio installation to call the office. The visor microphone and steering wheel-mounted push-to-talk button allow him to communicate safely while driving, and the digital noisecancelling software filters out the road noise so he can be heard clearly. Soon he's safely back on track.

The school bus driver relies on his XiR M3688 to keep his passengers safe. The digital technology gives excellent coverage throughout the district, and now they're running the MOTOTRBO Dual Capacity Direct Mode, he has no problem getting a channel. The clear, bright alphanumeric screen gives him all the information he needs, and if there's an incident, he can use one of the programmable buttons to call for help – with one touch.

### COMMUNICATE WITHOUT DISTRACTING THEM

The XiR M3188 and XiR M3688 are designed for the everyday driver and let you connect to your mobile workforce without distracting them. So while they improve efficiency, they also enhance safety.

### INTEGRATE YOUR DEVICES SEAMLESSLY

Make sure your new MOTOTRBO radios are ready when you are. We can bring together the right experts and processes to help you integrate MOTOTRBO mobile radios into your business, quickly and cost-effectively. This includes Coverage Mapping, Site Integration and Device Programming.

### GET DURABILITY THAT ENDURES

The XiR M3188 and XiR M3688 are made to last. They are backed by a two-year standard warranty and a minimum one-year warranty for Motorola-branded accessories. They are rated IP54 (splashproof, virtually dustproof), so they can be used even in harsh environments. Moreover, the design has been proven tough in Motorola's grueling Accelerated Life Test program, in which the radios must survive a simulated 5 years of hard service before they are accepted. You can be confident in the durability of your XiR M3188 and XiR M3688 radios.
